

We are hiring!

Position: Marketing & Communications Team Member

Virtual X Kitchen is College Park's 1st virtual food hall, currently home to 4 Restaurants with more concepts coming soon. A virtual food hall is in essence a ghost kitchen, with all online ordering, for pickup and delivery only.

As a new and quickly growing business, we are constantly looking for new opportunities and working on new initiatives and to expand. As a marketing team member, you will be assisting in these efforts as well as pioneering some on your own.

One of these initiatives includes building partnerships with local Apartment buildings in College Park. With this partnership, residents of the respective buildings have direct access to all of the food that our kitchen has to offer. While this program is already in effect, one of your main tasks in this position will be to manage this program. We currently have partnerships with The University View and Parkside at College Park, and are looking to add more.

The ideal candidate is someone who...

- Is creative and has strong interpersonal skills
- Has an interest in marketing, sales, and community relations
- Is self motivated and able to work independently
- Has a positive attitude and is comfortable in a fast paced work environment

Commitment: Part time, ~ 20 hours per week

Pay: hourly, from \$15/ hr

Job responsibilities:

- Work with the Marketing Manager to develop and execute marketing strategies
- Maintain our relationship with existing apartment buildings and increase presence
- Creating written Marketing copy as needed including emails, text messages, etc
- Handle other misc marketing tasks that may arise
